#### Bose & Mitra & Co. - Pre- internship Questionnaire

#### **BOSE & MITRA & CO.**

### Pre- internship Questionnaire

### Dear Applicant,

Thank you for your interest in our firm. As part of our internship application process, we require you to fill out the following questionnaire and email it back to us, so that we can process your application further.

Please note that as a matter of policy, we only accept applications from students in their penultimate or final years of law school. We would strongly urge you to re-apply at a later stage, should you not meet this criterion right now.

The primary purpose of this questionnaire is to gauge your level of experience in the field of shipping and admiralty, in order for us to better structure our internship program to suit your needs. We do not expect applicants to have a strong background in maritime or shipping law, but would like to better understand your reasons for applying to us.
